Welcome to Furuno Norge Training Centre

This is Furuno:

Furuno is the world's leading supplier of maritime electronics and has established regional sales and service offices all over the world. Furuno's head office is situated in Japan.

Furuno Norge A/S is engaged in sale and service of navigation, communication and fish-finding equipment for all types of vessels. Our main office is located in Aalesund with branch offices in Bergen and Oslo.

Furuno Norge Training Centre – FNTC - offers 2 day`s type specific ECDIS training on the Norwegian manufactured Telchart ECDIS (TECDIS) in Aalesund (Norway), Manila (Philippines) og Zagreb (Croatia).

FNTC-NO is situated at our premises in Sjømannsveien 19, Aalesund - only 5 minutes from the city centre and 20 minutes from Vigra Airport.

FNTC-PH is situated in Makati City approx. 25 minutes from Ninoy Aquino International Airport.

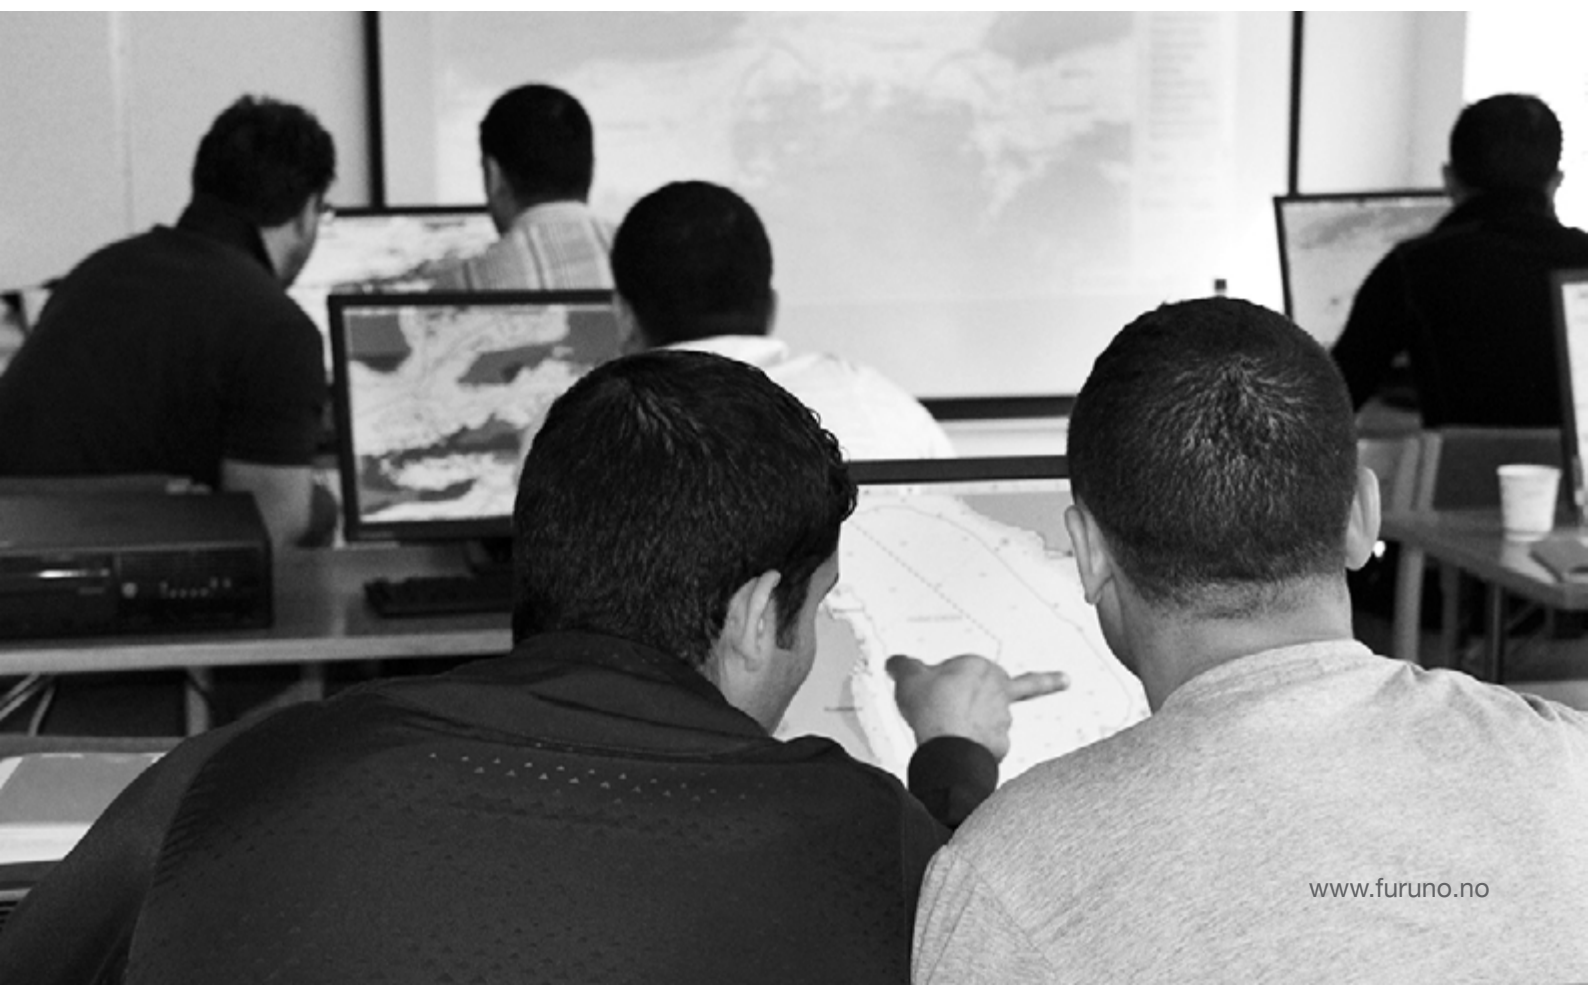

FNTC-HR is situated in the city centre approx. 25 minutes from Zagreb International Airport.

FNTC-PL is situated in Gdynia city centre approx. 32 minutes from Gdansk International Airport.

The training courses comply with STCW 2010 I/14 and ISM Code 6.3 & 6.5.
