

EC-TYPE EXAMINATION CERTIFICATE (MODULE B)

Certificate No:
MEDB000011T
Revision No:
2

Application of: Directive 2014/90/EU of 23 July 2014 on marine equipment (MED), issued as "Forskrift om Skipsutstyr" by the Norwegian Maritime Authority. This Certificate is issued by DNV AS under the authority of the Government of Norway.

This is to certify:

That the Bridge Navigational Watch Alarm System (BNWAS)

with type designation(s)
BR-500

Issued to

Furuno Electric Co., Ltd.
Nishinomiya, Hyogo Pref, Japan

is found to comply with the requirements in the following Regulations/Standards:

Regulation (EU) 2020/1170,

item No. MED/4.57. SOLAS 74 as amended, Regulations V/18 & V/19, IMO Res. A.694(17), IMO Res. MSC.128(75), IMO Res. MSC.191(79), IMO Res. MSC.302(87), IMO MSC.1/Circ.1474

Further details of the equipment and conditions for certification are given overleaf.

This Certificate is valid until **2026-03-02**.

Issued at **Høvik** on **2021-03-03**

DNV local station:
Yokohama

Approval Engineer:
Frederik Tore Elter

Notified Body
No.: **0575**

for **DNV AS**

.....
Roald Vårheim
Head of Notified Body

A U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of Certificates of Conformity for Marine Equipment" signed 17 October 2005, and amended by Decision No 1/2019 dated February 22nd, 2019.

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body. The product liability rests with the manufacturer or his representative in accordance with Directive 2014/90/EU.

This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform DNV AS of any changes to the approved equipment. This certificate remains valid unless suspended, withdrawn, recalled or cancelled.

Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to 300,000 USD.

Product description

The BR-500, Bridge Navigational Watch Alarm System, consists of the following components:

Unit	Name	Location/comment
Main Alarm Panel	BR-510	<i>Protected</i>
Processor Unit	BR-520	<i>Protected</i>
Timer Reset Panel	BR-530	<i>Protected</i>
Cabin Panel	BR-540	<i>Protected</i>
Watertight Timer Reset Panel	BR-550	<i>Exposed</i>
Motion Detector (reset device)*	BR-560	<i>Protected (*optional)</i>
Flash Beacon	BR-570	<i>Protected</i>
<i>Software versions</i>	2450056-02.xx	<i>Processor</i>
	2450060-02.xx	<i>Alarm panel</i>

Application/Limitation

- The BR-500 shall be powered from the ship's main power supply. Additionally 24 VDC power supply with capacity of at least 6 hours shall be provided.
- The interconnection with a Central Alert Management system for transfer of unacknowledged alarms is via contact closure.
- The installation of the system shall be undertaken in accordance with manual OME-44610-G10 (or later version).
- The system may comply with DNVGL rules for Nautical Safety. The actual configuration and interfacing with associated equipment is subject to case-by-case approval.
